(a) - For Types HD01 & HM01: Min. Cond. Width = 0.10 mm/ Edge Cond. Width = 0.40 mm/ Min. Cond. Width = 0.40 mm for External Cu Thk = 102 ~ 210 mic.

* - CTI marking is optional and may be marked on the printed wiring board.

Marking: Company name or trademark , or file number and type designation. May be followed by a suffix to denote factory identification or burning test classification.

The appearance of a company's name or product in this database does not in itself assure that products so identified have been manufactured under UL's Follow-Up Service. Only those products bearing the UL Mark should be considered to be Certified and covered under UL's Follow-Up Service. Always look for the Mark on the product.

UL permits the reproduction of the material contained in the Online Certification Directory subject to the following conditions: 1. The Guide Information, Assemblies, Constructions, Designs, Systems, and/or Certifications (files) must be presented in their entirety and in a non-misleading manner, without any manipulation of the data (or drawings). 2. The statement "Reprinted from the Online Certifications Directory with permission from UL" must appear adjacent to the extracted material. In addition the reprinted material must include a copyright notice in the following format: © 2020 UL LLC".
